The figure shows a graph with two colored lines representing different datasets over a period from 2009 to 2018. The y-axis is labeled as Rank, and the x-axis is labeled as Date. The graph indicates a trend over the years, with specific highlights for 2014 and 2016. The equation $J_{acid}(\text{STAR, ADV}) = 0.007$ is displayed at the top of the graph.
